With reference to para 6 of Government Proceedings No: 10698-701 dated 26th March 1900 sanctioning the revised District Fund Budget Estimates of the Tumkur District for 1899-1900, I have the honor to state that a portion of the old Taluk Kutcherry building at Gubbi marked A.A. in the accompanying plan, has been set apart for the use of travellers and it is proposed to levy fees for its occupation in accordance with the Scale prescribed for 3d class Travellers' Bungalows and to appoint a care taker at Rs 5 per mensem with effect from 1st April next. The only public building at present available to Travellers at Gubbi is the Mussafirkhana near the Railway station, but this is always over crowded inasmuch as the Government feeding Chatram is also

also held in it. The rooms in the old Salutt Cutcherry building now proposed to be converted into a travellers Bungalow are suited for high class Travellers and will be very useful to Government officers visiting the Station. I therefore request sanction to the arrangement
